

We need your help.

Each day, the cost to care for animals at DCHS is about \$748.00. Income through adoptions, memberships and other sources averages \$508.00. **Each day, we come up short by \$240.00.**

The Door County Humane Society provides services not available from any other organization in Door County. We serve our community from Southern Door to Washington Island. Less than 5% of our funding comes from public sources.

This community needs our organization and we need your help.

For \$240.00, you can personally sponsor one day at DCHS. You can ensure our future. What a wonderful way to honor a loved one, a birthday, an anniversary or a memory.

You will be recognized at the shelter, on our website, on the radio and other media. We will send you a clear decal, printed in white, to put on the rear window of your car or entry to your business. We will display a large, personalized version (suitable for framing) of the logo above at the shelter on the day selected and send it to you afterwards. Naturally, requests to remain anonymous will be honored.

The Door County Humane Society dogs and cats would love to welcome you to be a Sponsor of a day full of miracles in the shelter!
